

Media Alert
Barrie Waterfront Festival Cancelled

For Immediate Release

Toronto, ON – April 15, 2020 – At the direction of the City of Barrie, Public Health Agency of Canada and local officials in response to COVID-19 concerns, we have made the difficult decision to cancel this year’s Barrie Waterfront Festival scheduled for May 22 – 24, 2020 in Centennial Park.

The safety and well-being of our attendees, volunteers, staff and community remain our top priority and as such, we are choosing to do our part to slow the spread of COVID-19. We urge everyone to follow the guidelines and protocols put forth by public health officials.

Thank you for your continued support and we look forward to next year’s Annual Barrie Waterfront Festival, **May 28 - 30, 2021**.

-30-
